AHV Communities will be coming to the Georgetown area with Rivers Edge, a 92 lot single-family home community located on the San Gabriel River adjacent to San Gabriel Park.

The luxury-style homes will be exclusively for rent and feature four plan options, including green features, walk-in closets, as well as a dog park and clubhouse. AHV Communities representatives said they expect to be open during the third quarter of 2017. www.ahvcommunities.com
